This official transcript has been transmitted electronically to the recipient identified above and is intended solely for use by that recipient. If you are not the intended recipient, please notify the Columbia University Office of the Registrar at (212) 854-4400. ### How to Authenticate This Official Transcript from Columbia University

This official transcript has been digitally signed and therefore contains special security characteristics. If this transcript has been issued by Columbia University and this transcript is viewed using the latest version of Adobe® Acrobat or Adobe® Reader, it will reveal a digital certificate that has been applied to the transcript. This digital certificate will appear in a pop-up screen or status bar on the transcript, display a blue ribbon, and declare that the transcript was certified by Columbia University with a valid certificate issued by GlobalSign CA for Adobe®. This transcript certification can be validated by clicking on the Signature Properties of the transcript.

The blue ribbon symbol is your assurance that the digital certificate is valid, the transcript is authentic, and the contents of the transcript have not been altered.

If the transcript does not display a valid certification and signature message, reject this transcript immediately. An invalid digital certificate display means either the digital certificate is not authentic, or the transcript has been altered. The digital certificate can also be revoked by the Columbia University Office of the Registrar if there is cause, and digital certificates can expire. A transcript with an invalid digital certificate display should be rejected.

Lastly, one other possible message, Author Unknown, can have two possible meanings: first, the certificate is a self-signed certificate or has been issued by an unknown or untrusted certificate authority; second, the revocation check could not be completed. If you receive this message, make sure you are properly connected to the internet. If you have an internet connection and you still cannot validate the digital certificate online, reject this transcript.

The official transcript explanation is the last page of this document.

The current version of Adobe® Reader is free of charge and available for immediate download at <http://www.adobe.com>.

If you require further information regarding the authenticity of this transcript, please contact the Columbia University Office of the Registrar by email at [registrar@columbia.edu](mailto:registrar@columbia.edu) or by phone at (212) 854-4400.

In all cases, the transcript received or requested by the student shall show, on a cumulative basis, all of the grades of the student presented in single format — i.e., all grades shall be in accordance with those set forth in the school bulletin, or all grades shall be stated as Credit or Fail.

**UW** = For the College of Physicians and Surgeons: Indicates significant attempted coursework which the student does not have the opportunity to complete as listed due to required repetition or withdrawal.

**W** = Withdrew from course.

**YC** = Year Course. Assigned at the end of the first term of a year course. A single grade for the entire course is given upon completion of the second term. Until such time as a passing or failing grade is assigned, satisfactory progress is implied.

**OTHER INFORMATION**

NOTE: All students who cross-register into other schools of the University are graded in the **A, B, C, D, F** grading system, regardless of the grading system of their own school, except in the schools of Arts (prior to Spring 1993) and in Journalism (prior to Autumn 1992), in which the grades of **P** (pass) and **F** (failing) were assigned. Notations at the end of a term provide documentation of the type of separation from the University.

% of **A** Effective fall 1996: Transcripts of Columbia College students show the percentage of grades in the **A (A+, A, A-)** range in all classes with at least 12 grades, the mark of **R** excluded. Calculations are taken at two points in time, three weeks after the last final examination of the term and three weeks after the last final of the next term. Once taken, the percentage is final even if grades change or if grades are submitted after the calculation. For additional information about the grading policy of the Faculty of Columbia College, consult the College Bulletin.
